

VINAY KUMAR

Electronics & Communication Engineering

About Me

I am an Electronics and Communication Engineering undergraduate with a strong passion for Full Stack Web Development. I have hands-on experience with HTML, CSS, JavaScript, TypeScript, React.js, Node.js, Express.js, MongoDB, and REST APIs. I enjoy building responsive and user-friendly web applications while continuously improving my problem-solving and programming skills. I am a quick learner, a collaborative team player, and eager to contribute to real-world projects while gaining practical industry experience and growing as a software developer.

Technical Skills

- C /C++,Java
- Node.js,Express.js,MongoDb
- HTML5, CSS3, JavaScript
- React.js, TypeScript, Tailwind
- Data Structures & Algorithms
- Vivado(FPGA)
- Arduino

Soft Skills

- Problem-solving
- Teamwork & Collaboration
- Time Management
- Communication skill

Language

- English
- Hindi

Project

1.Portfolio Website

Technologies: React.js,TypeScript,Tailwind CSS

- Created a personal portfolio website with responsive layout.
- Added sections like About, Skills, Projects, and Contact

2.College Attendance Tracker

Technologies:TypeScript

- Developed a College Attendance Tracker using TypeScript with attendance management and an integrated quiz module.
- Designed a responsive UI with TypeScript and Tailwind CSS

3.Swad Yatra

Technologies: React.js and REST API

- Developed Swad Yatra, a React.js-based food discovery web application integrated with REST APIs to display recipes and detailed food information.

3.Voting Machine

Technologies used: Arduino, C/C++ programming.

- Developed a voting machine system using Arduino, Button, Jumper Wires, Bread Board, Display.
- Implemented functionalities like candidate selection, vote counting, and result display.

Education

ABES Engineering College, Ghaziabad 2024-2028(Expected)

Bachelor of Technology (B.Tech) in ECE
Current Year: 2nd Year

D.S.S. School(C.B.S.E)

- Senior Secondary (12th Grade) : 69% 2021-2022
- Secondary (10th Grade): 84% 2019-2020

Achievements

Hackathon Participation – HCL GUVI, 2025

- Built an AI Story Maker web application in a team project.
- Worked on frontend (HTML, CSS, JavaScript) and basic AI logic integration.
- Implemented user input, story generation, and responsive UI.
- Awarded Certificate of Participation.
